

Recommendation Letter

To whom it may concern,

I am writing to highly recommend Ryam Almousa for any position that requires a bachelor's degree in Computer Science. I have had the pleasure of being Ryam's lecturer and have seen first-hand her exceptional skills, strengths, and achievements in the field.

Ryam possesses a strong understanding of Algorithms , Data Structure, and Database design. Her knowledge and expertise in these areas make her a valuable asset to any team. She is a quick learner and is always eager to expand her knowledge in the field.

I have no doubt that Ryam would be a great fit for any job that requires someone with her skillset and qualities. I highly recommend her for any position that requires a bachelor's degree in Computer Science

Sincerely,

Aljawharah Faleh Alfaleh

Lecturer at College Of Computing and Informatics
